CHECK WHAT'S IN THE PEN CAREFULLY

Check the lot number, breed and number of birds. This is **your** responsibility you are bidding on the birds **as they are presented in the pen.** e.g. If the catalogue says **Trio**, but there is only a **Pair** in the pen, you are bidding on a **Pair**. Please do not complain after the auction that what you have bought isn't what you expected.

The catalogue is a guide only. If you are not sure, ask a club member for help.

Gympie Poultry Club Inc accepts no responsibility for incorrect description of any Lot and is conducting the Auction under the Constitution and By-Laws of Gympie Poultry Club Inc. and the usual terms & conditions of a Public Auction.

MAKE THE AUCTIONEER'S LIFE EASY

LISTEN TO THE AUCTIONEER He will announce any changes to a lot before it is sold

All lots will be offered in numerical order as per the Catalogue. Position yourself where the auctioneer or spotters can see you easily and have your bid card ready. If the spotters miss your bid and the lot is sold to someone else, speak up quickly and loudly, and the auctioneer will put the lot up for sale again.

COLLECTING YOUR BIRDS

Pay at the office to receive a receipt.

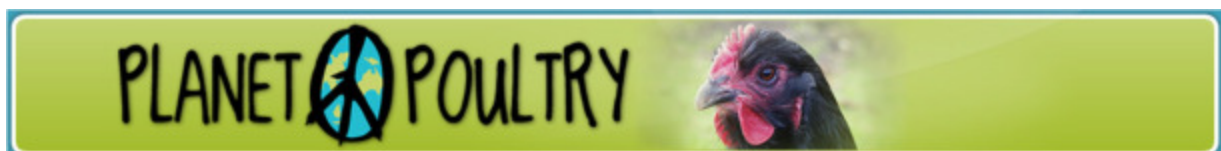

Bought and unsold birds can be collected after 12 noon on presentation of a receipt.

DO THE RIGHT THING, if you negotiate with an owner of a passed in lot please be honest and pay through the club.

Thank you to Motorcycle Country Gympie for the loan of their marquee.

Col & Debbie from Planet Poultry will be attending the auction. Planet Poultry design and produce great quality Chicken Coops and offer the biggest and latest range in Incubators, Brooders, Drinkers, Feeders, Poultry Accessories and Poultry Medication.
